Parking Demand Management

Car Sharing

Tired of the hassle and expense of car ownership but need a car at least some of the time? With car sharing as your safety net, you can give up one or more of your cars and walk, bike and take public transit for most of your trips and reserve a car share vehicle for as little as an hour when you have to drive.

Bicycle Parking

Bike racks exist in many garages.

Over 50 single space meters have been converted to bicycle parking.

Two metered automobile parking spaces have been converted to free on-street bicycle parking in Charles Village.

443-573-2800, Ext. 820
